Reference is made to your memorandum to Mr. Mohr of 3-14-61 (attached), which advised that a printer in Santa Barbara, California, had advised our Los Angeles Office that he had received an order from JBS to print 10,000 copies of the poster, "What You Can Do To Fight Communism." JBS also requested the printer to print an addition on the poster to the effect that it was being distributed by the JBS.

ASAC William Alexander of Los Angeles was advised on 3-14-61 that we should have nothing to do with JBS since obviously they were attempting to capitalize on the Director's prestige. He was told that the printer should be informed that the FBI had not given approval for JBS to reproduce the poster nor could we approve of the addition to the poster reflecting its distribution by JBS.

It was recommended and approved by the Director that an SAC Letter be prepared instructing the Field that (1) No Bureau publications are to be made available to JBS, (2) Alert the Field to the possibility that JBS may attempt to reproduce and distribute Bureau publications, and (3) That any requests by JBS for permission to reproduce Bureau publications should be turned down.

The "Montana Standard," a Butte, Montana, daily newspaper, issue of 1/31/61, reported that [redacted] of Santa Barbara, California, [redacted] of the JOHN BIRCH Society, would speak in Butte that day. Subsequent information was received indicating efforts of various responsible persons in Butte to form a JOHN BIRCH Society.

Films have been shown and lectures given in Dillon, Montana, concerning the Society and efforts made to organize a Chapter in that small community.

Through correspondence with the Bureau by an interested individual it was ascertained that a Chapter has been formed in Sidney, Montana.

During 3/61, information was received that ~~ANOTHER~~ ~~Sister~~ Chapter has been formed in Stevensville, Montana.

Recent contacts with this Office by interested citizens inquiring about the Society indicate a growing ~~disillusionment~~ by people with the material published by the Society. Further, the recent article in "Time Magazine," concerning the Society, as well as a series of articles being published by the "People's Voice," a weekly newspaper published in Helena, Montana, concerning the Society, have done much to bring about this feeling on the part of local citizens.

NOTE: Bufiles contain no record of correspondent. The John Birch Society was founded in 12-58 in Indianapolis, Indiana, by Robert H. Welch Jr., of Belmont, Massachusetts. It is incorporated under laws of State of Massachusetts; is allegedly anti-communist; has chapters throughout country, and has not been investigated by the Bureau. Welch and the Society in the past have been extremely critical of former President Eisenhower.

Senator MILTON R. YOUNG
(R. - North Dakota) telephoned through
secretary for the Director. He was
advised of the Director's absence
and was referred to Mr. Leinbaugh
in Mr. DeLoach's absence.

Senator Young said he and Senator
Mansfield made critical statements
yesterday regarding the John Birch
Society. Defenders of the Society claim that the
Director has endorsed the Society and Mr. Leinbaugh
emphatically denied this. Senator Young also said
that the Society claims that the Director has stated
that 70% to 80% of the officials of the Department of
Health, Education and Welfare were communists or
had been influenced by the communists. Mr.
Leinbaugh told the Senator that this had been previously
brought to the Director's attention and that it is
totally untrue in that the Director has not made such a
ridiculous assertion.

Senator Young said he would appreciate a letter
pointing out this information.

Mr. Leinbaugh is preparing a memorandum.

Senator Young called early this afternoon and in my absence spoke with Leinbaugh in my office. The Senator said that he and Mike Mansfield (D-Montana) had blasted the John Birch Society on the Senate Floor yesterday (UPI ticker attached), and the Senator said that frankly he had been amazed at the reaction. He said right after the speech he began to receive criticism from members of the Society and he had had several communications which alleged that Director Hoover had endorsed the John Birch group.

Leinbaugh told the Senator that this was a patent falsehood, that Director Hoover, of course, never endorsed any groups and most certainly would not issue any statement defending the activities of the John Birch Society. The Senator said he was relieved to hear this. He then added that members of this organization had informed him of the assertion that up to 80% of the top people in the Department of Health, Education and Welfare are communists or communist supporters and that Mr. Hoover was the source of information for this assertion. * The Senator was told that this ridiculous claim had already been brought to the Director's attention and it has been promptly nailed as a complete fabrication and falsehood.

Senator Young added that if at all possible he would deeply appreciate receiving a short note from Mr. Hoover regarding the above-mentioned matters and he was told we would be happy to comply with his request.

(BIRCH SOCIETY)

WASHINGTON--SEN. MILTON R. YOUNG, R-N.D., AND SENATE DEMOCRATIC LEADER MIKE MANSFIELD, MONT., TODAY SOUGHT TO RALLY PUBLIC OPINION AGAINST THE ULTRA-CONSERVATIVE JOHN BIRCH SOCIETY, WHOSE TOP OFFICIAL ACCUSED FORMER PRESIDENT EISENHOWER OF BEING A COMMUNIST AGENT.

IN SEPARATE SENATE SPEECHES, YOUNG AND MANSFIELD DEPLORED THE ORGANIZATION'S GROWING MEMBERSHIP IN THE DAKOTAS AND MONTANA, ALTHOUGH YOUNG QUOTED A (TIME) MAGAZINE ARTICLE AS REPORTING IT HAS ACTIVE "CELLS" IN MORE THAN 35 STATES. ONE NORTH DAKOTA CITY ALONE HAS FOUR CELLS, YOUNG SAID.

HE SAID THE SOCIETY'S MEMBERSHIP INCLUDES "SOME OF THE MOST ABLE AND INFLUENTIAL PEOPLE IN EACH COMMUNITY." ITS CRITICISM, HE SAID, IS LEVELED "NOT AGAINST LIBERAL PUBLIC OFFICIALS, BUT AGAINST MORE MIDDLE-OF-THE-ROAD, AND EVEN CONSERVATIVE REPUBLICANS."

SOCIETY PRESIDENT ROBERT WELCH "HAS MADE ACCUSATIONS AGAINST THE PRESIDENT AND OTHER TOP OFFICIALS FAR BEYOND ANYTHING THE LATE SEN. JOE MCCARTHY EVER THOUGHT OF," YOUNG SAID.

HE SUBMITTED AN ARTICLE FROM A CHICAGO NEWSPAPER (NEWS) IN WHICH WELCH'S BOOK, "THE POLITICIAN," WAS SAID TO HAVE TRIED TO PROVE THAT EISENHOWER "IS A CONSCIOUS, DEDICATED AGENT OF THE COMMUNISTS," AND HIS ADMINISTRATION "CONTROLLED BY THE COMMUNIST PARTY."

MANSFIELD JOINED IN CRITICIZING THE ATTACK ON EISENHOWER, AND IN URGING THE PUBLIC TO "JUDGE THIS ORGANIZATION FOR WHAT IT IS."

YOUNG SAID THE SOCIETY HAS ACCUSED HIM "OF BEING ABOUT EVERY KIND OF SCOUNDREL, INCLUDING A COMMUNIST OR PRO-COMMUNIST."

(D) THE JOHN BIRCH SOCIETY, (JBS) -- SAC Letter 59-13 (F), dated March 10, 1959, set out background data concerning Robert H. Welch, Jr., a candy manufacturer of Belmont, Massachusetts, and his anticommunist campaign. SAC Letter 60-5 (C), dated January 26, 1960, advised that in December, 1958, Welch created an organization called "The John Birch Society," the long-range objective of which has been summarized as "less government, more responsibility, and a better world."

Recently, a printer in Santa Barbara, California, advised he had received an order from JBS to print 10,000 copies of my poster, "What You Can Do To Fight Communism." The JBS also requested the printer to print an addition on the poster to the effect that this statement was being distributed under the auspices of the JBS. We have advised the printer that the FBI has not given approval for JBS to reproduce the poster nor could the FBI approve of the addition to the poster reflecting its distribution by JBS.

In view of this irresponsible organization's attempt to capitalize on the FBI's prestige, no Bureau publications of any kind are to be made available to JBS or to any of its representatives. You should be alert to the possibility that this group may attempt to reproduce Bureau publications and distribute them giving the impression that the FBI sanctions JBS. Immediately advise the Bureau of any such information coming to your attention. Further, any requests by JBS to reproduce Bureau publications should be turned down.

Very truly yours,

John Edgar Hoover

Re: Boston letter to the Director dated 2/17/61.

On March 21, 1961, HERBERT A. PHILBRICK advised that he had no current information concerning the number of JOHN BIRCH CHAPTERS now functioning.

PHILBRICK stated that on his last personal contact with ROBERT WELCH, about two years ago, he was told that there were 20 chapters in Houston, Texas, and one chapter in Bismark, North Dakota. He has no additional information at the present time concerning the number of chapters of the JOHN BIRCH SOCIETY. He stated that if he obtained additional information concerning this, he would furnish same to the Bureau.

Because of PHILBRICK's lack of particulars, the above information is being submitted by letter to the Bureau rather than by letterhead memorandum.

[redacted] Santa Barbara, 7/1/71
is employed as a [redacted] at the U. S. Navy Pacific

concerned over the furor which the John Birch Society is
causing in Santa Barbara. He stated the local paper in
Santa Barbara had editorialized against the John Birch
Society which resulted in a division of thought in the Santa
Barbara community. Several months ago he attended a gathering
where a tape by ROBERT WELCH described as the founder of
the Society, was heard. [redacted] stated WELCH practically
accused President EISENHOWER of being a communist and spoke in
high tones of the quality of the government in the Dominican
Republic. b6 b7C

Later Mr. [redacted] wrote a letter to the "Santa Barbara

of the publication of this letter, several calls were made
to Lt. Commander [redacted] Point Mugu, California, by
unidentified persons calling Mr. [redacted] a "dirty communist"
and asking questions such as "what are you going to do about
it." He stated he considers this an insidious attack in an
attempt to get his job because of his open objection to what
he considers a completely wrong method of fighting communism. b6 b7C

Mr. [redacted] stated that he has worked for the U. S.
Government in the propaganda field and was with OSS during
World War II. He directed anti-communist and anti-Fascist
propaganda and movies and believes that he has a background
of being anti-communist as well as anti-Fascist that should
satisfy even the severest critic.

Mr. [redacted] continued, stating that "the John Birch
Complex" should be watched as a possible silver shift type
organization. He stated that the Director of the FBI should
be advised that "while passing under cover of anti-communist,
the John Birch complex is using his name and a stable of
retired FBI men as covers for their meetings." He mentioned
specifically CLEON SKOUSEN, HERBERT PHILBRECK and MATT
CVETIC. The John Birch Society is encouraging the reading
of anti-communist literature put out by the Director of the FBI
as well as his book "Masters of Deceit." They are showing
the films "Operation Abolition" and "Communism on the Map,"
all of which has as its objective the lending of dignity to
their organization and of confusing the people as to their
true purpose. Mr. [redacted] stated in this connection that he
has no objection to the Director's book and that he intends to b6 b7C

read it himself some day. The John Birch complex is a rebirth of all the worst aspects of the MC CARTHY era, except that this is worse because it has a brain behind it. He felt that the Director must avoid becoming a tool of the John Birch complex.

Mr. [] continued that in Santa Barbara a Mrs. [] an employee of U. S. Congressman TEAGUE, with office in the Post Office Building in Santa Barbara, "brainwashed" him for an hour concerning the communist threat to our schools and churches. A Mrs. [] is a tool of the John Birch Society by publishing a sheet called "The Freedom Press." A Mrs. [] who writes anti-communist articles is spreading the John Birch line. The Santa Barbara Speakers Forum is part of the John Birch Society (JBS) and is bringing to Santa Barbara such speakers as CLEON SKOUSEN, WILLIAM BUCKLEY, EDGAR BUNDY and the like. b6 b7C

Concerning Lt. Commander [] Mr. [] stated that [] was given an award at Point Mugu recently by the U. S. Navy for having made 200 speeches against communism. At least one speech was made under the auspices of the JBS in Ventura, California, and one under the auspices of Mrs. [] in Santa Barbara. Mr. [] questions the wisdom of permitting the use of a Navy officer in this fashion. b6 b7C

Both Mrs. [] and Mrs. [] are known to SAS [] and THOMAS H. THORNTON as being strongly anti-communist and who have stated that although they are not members of the JBS, they do approve of its anti-communist aims. Mrs. [] has published four or five monthly issues of a throwaway which she now calls "The Freedom Press." Mrs. [] has a weekly syndicated column which appears in more than a hundred newspapers in which she has been doing a series of articles for teen-agers on the dangers of communism. b6 b7C

Mr. [] stated that one of his chief sources of information in this connection is [] writer for the "News-Press" who wrote the articles which appeared in the News-Press "exposing" the JBS.

LA 100-59001

Mr. [] stated that what he has to say could be summed up by saying that in his opinion "the John Birch complex" is causing lack of faith in democratic principles and is as great a threat to this country as communism.

Miss [] stated she thinks that what Mr. [] has said sums up her opinions on this subject.

b6
b7C

Neither Miss [] nor Mr. [] asked any specific question concerning the John Birch Society; therefore, no statements were volunteered.

The indices of the Los Angeles Office contained no information of a derogatory, subversive nature regarding [] or []

INQUIRY FROM SENATOR MILTON R. YOUNG
REGARDING THE JOHN BIRCH SOCIETY

For your information, Senator Milton R. Young called my office yesterday to make inquiry regarding the John Birch Society. The Senator advised that he and Senator Mansfield had attacked this group on the floor of the Senate and that he had been amazed by the reaction to his remarks. He said that following the speech, members of this Society had contacted his office claiming that I had endorsed this group.

The Senator was told that this assertion was a complete falsehood inasmuch as it was, of course, outside of my authority to endorse any group or organization. He was further told that I would not under any circumstances issue a statement defending the activities of the John Birch Society.

Members of this group also made claim to Senator Young that up to eighty per cent of the top people in the Department of Health, Education and Welfare are communists or communist supporters and they said that I was the source for this information. The Senator was advised that this ridiculous claim had been previously brought to my attention and that it had been promptly labeled as a complete fabrication.

By letter of March 1, 1961, I advised the Honorable Abraham A. Ribicoff of the above-reported statement which had been erroneously attributed to me.

Previous information was furnished to the Department concerning the John Birch Society by our memorandum dated February 1, 1961.

For your additional information, I am enclosing a copy of my letter to Senator Young dated today.

"LAWRENCE DAILY JOURNAL-WORLD"
LAWRENCE, KANSAS

Enclosed are two copies of an editorial which appeared in captioned newspaper on 3-16-61. The item was called to the Bureau's attention by Mrs. [redacted] of Wichita, Kansas. Copies of her letter and enclosure, as well as a copy of our reply, are also enclosed for your information. We have had limited cordial correspondence with her.

It is noted that the editorial says that leaders of the John Birch Society include my name among a group of individuals they labeled as "pure-bred Reds." While we have received information that this group has named certain Government officials as communist, this is the first information the Bureau has received alleging that the Society linked my name with subversive elements. You should have a mature, experienced Agent contact Mr. [redacted]

[redacted] of the "Journal-World" and ascertain his source of information concerning me as expressed in the editorial. Be certain Mr. [redacted] understands that we have no interest whatsoever in the Society and that our only concern is to determine the basis for the allegation relating to me. For your information, the Bureau's position in response to inquiries concerning the Society is that we do not make evaluations or draw conclusions as to the character or integrity of any individual, publication or organization. Bureau files reflect very limited contact with this newspaper. On 3-25-57 [redacted]

[redacted] was sent a copy of the FBI Law Enforcement Bulletin upon his request. Suairetel results under above caption to reach the Bureau no later than 4-6-61.

While talking to [redacted] to the Chief Counsel, House Committee on Un-American Activities (HCUA), on other matters 3-27-61 she advised in confidence that they have received a letter from the John Birch Society signed by Robert Welch asking that the HCUA conduct an investigation into the background of the John Birch Society so that their patriotic motives could be shown to the public. Mrs. [redacted] said that they were going to write back and say that such an investigation would be merely self-serving and that they would not conduct any such investigation.

Mrs. [redacted] said that she would keep us posted. She also indicated to Kemper that they have literally been swamped with requests for information not only from Congressmen and Senators but from the general public on the attitude of the John Birch Society. She expressed her own personal disapproval of the methods used by Welch and said that his type of activity is doing more harm than good.

By letter dated 3-24-61 correspondent forwarded a copy of a letter which he had sent to the editor of "The Los Angeles Times", Los Angeles, California. In his letter to the editor, he complains that people are bothering him through telephone calls because of the and that of the John Birch for whom the John Birch Society was named. He was complimentary to the FBI in stating that "FBI men know their business."

b6
b7C

Bufiles indicate that was forwarded a letter in November, 1957, by the Director thanking him for sending a Directory of Conchologists reflecting a list of persons interested in the knowledge and study of mollusks. The Directors name appeared in the Directory.

The John Birch Society was founded in 12-58 in Indianapolis, Indiana, by Robert H. Welch, Jr., of Belmont, Massachusetts. It is incorporated under laws of State of Massachusetts; is allegedly anti-communist; has chapters throughout the country; and has not been investigated by the Bureau. Welch and the Society in the past have been extremely critical of former President Eisenhower.

By letter dated March 9, 1961, Mrs. [redacted] of [redacted] Jamestown, North Dakota, requested of the Minneapolis FBI Office an evaluation of the John Birch Society noting that its literature purports it to be an Americanist Society which is opposed to the advance of communism. Mrs. [redacted] was contacted on March 17, 1961, in Jamestown, North Dakota, at which time she advised that on the previous Thursday, March 9, 1961, in the local paper, "The Jamestown Sun", an article appeared concerning Senator YOUNG's remarks regarding the John Birch Society. She said the following Saturday in the same paper were letters to the editor concerning the John Birch Society, one of them by a [redacted] of Bismarck, North Dakota, who Mrs. [redacted] said she had met at a social recently and had received from him a kit of the society which included a blue book reciting the purposes and procedures of the organization and other material. She also advised that [redacted] indicated that there was in Bismarck, North Dakota, a study group of the John Birch Society. She said that this is all she knew concerning the existence of this organization and nothing had come to her attention indicating that there was any individual or group or literature being disseminated or active in the town of Jamestown or the vicinity.

Mr. [] who is also an Air Force Reserve Major, was interviewed on March 16, 1961, and he advised that he has read the recent "Time" magazine article concerning the John Birch Society and he had locally become aware of existence of the organization particularly on March 5 and 6, 1961, when a film shown by an area representative at the Graver Hotel presented Mr. WELCH of that organization giving approximately a two hour talk on the subject of the spread of world communism. SUBJECT: COMINFIL OF THE JOHN BIRCH SOCIETY

On March 2, 1961, Mr. [redacted] Stow, Ohio, orally advised that he had been contacted by one [redacted] Ohio, concerning membership in captioned organization. [redacted] stated that [redacted] is a member of the John Birch Society (JBS) and that since his initial contact with him he, [redacted] has been receiving literature concerning the organization. Among the items thus received was a copy of the JBS "Blue Book".

b6
b7C

[redacted] stated that, based upon his conversation with [redacted] he has learned that the latter is the only JBS member in [redacted] Ohio, but that a chapter has been in existence in Cleveland, Ohio, for sometime. He advised that this chapter meets monthly and that the only concrete results of the Cleveland JBS chapter's activity thus far mentioned by [redacted] was a successful effort to obtain the removal of a United Nations Seal from aircraft operated by the United Airlines. [redacted] was unable to evaluate or otherwise clarify the purpose of this action.

b6
b7C

[redacted] stated that, since the JBS is opposed to Communism, he has considered joining the Society. In view of certain statements contained in the "Blue Book", however, he had some reservations about affiliating with the Society and he requested the Bureau's advise in this regard. He was courteously informed of the confidential nature of FBI files and the consequent necessity of informing him that no advice or information could be furnished to him. Mr. [redacted] stated that he understood the Bureau's position in such matters, but that he would attend at least one meeting of the JBS in Cleveland, Ohio, and would be happy to furnish any pertinent information obtained to this office.

He was then informed that the FBI could neither approve or disapprove his proposed action and that any association between himself and the JBS would have to be at his own discretion and in accordance with his own best judgment. He was further informed that the FBI is interested on a continuing basis in any efforts of the Communist Party to infiltrate and influence mass organizations and that, should he obtain any information indicating Communist Party infiltration of the JBS, it would be appreciated if he would make such information available to the FBI. Mr. [redacted] stated that he would gladly make any pertinent information obtained available to this office.

On March 30, 1961, Mr. [redacted] telephonically contacted the Cleveland Office to advise that he had learned that the JBS organizers in Cleveland, Ohio, are [redacted]

[redacted] and [redacted] all of Cleveland, Ohio. Mr. [redacted] could furnish no additional information concerning any of these individuals. It is also noted that indices of the Cleveland Office are negative concerning the above mentioned persons.

In addition to the above information, the Cleveland Office has been the recipient of other telephone inquiries concerning the JBS. These inquiries have been uniformly answered with information concerning the confidential nature of FBI files and the consequent inability of this Office to furnish any information to private persons and/or organizations.

In view of current Bureau instructions concerning the JBS and the fact that to date no information has been obtained from confidential informants, confidential sources or public information sources indicating that local units of the JBS have been infiltrated by the Communist Party, no further investigation in this matter is contemplated by the Cleveland Office and it is being placed in a closed status. In the event information of a pertinent nature is obtained in the future, it will be immediately furnished to the Bureau along with appropriate recommendations relative to any further investigation which appears warranted.

Mr. Ingram	
Miss Gandy	

On 4/3/61, Mrs. [redacted] Charlotte, N. C., telephonically contacted the Charlotte office and stated she is a member of the John Birch Society. She stated that the April 2, 1961, issue of the "Charlotte Observer," on page 8A, carried an article which was critical of this organization. She said that at the end of this article it was stated that J. EDGAR HOOVER, Director of the FBI, had issued a statement which implied criticism of the John Birch Society, and that she would like to obtain a copy of this statement. She was advised this office could make no comment regarding the article she referred to and she stated that she believed she would write to FBI Headquarters in Washington, D. The foregoing is being furnished to the Bureau for information, inasmuch as Mrs. [redacted] may contact the Bureau.

There is enclosed copy of an article which appeared in the "Charlotte Observer" in its issue of 4/2/61, which is believed to be the article Mrs. [redacted] refers to.
